

April 3, 2018

Dear Quince Orchard High School Staff, Students, Parents, and Guardians:

As you are aware, Mrs. Carole Working, has retired as principal of Quince Orchard High School. We've been fortunate to have had her visionary leadership over her 12 year tenure at the helm. As she has transitioned to new endeavors, please join me in formally welcoming Mrs. Carole Goodman as "Acting Principal" for the remainder of the 2017-2018 school year.

The departure of Mrs. Working initiates our work with you to identify the next principal of Quince Orchard High School. Our principal selection process includes an opportunity for staff and families to provide input. This input includes feedback about the characteristics you seek in a principal and the selection of a group of staff and parents who will join me as members of the interview panel.

As we begin, I will host characteristics meetings with Quince Orchard staff and families to discuss this important principal selection process in greater detail and communicate the schedule of activities that lead to the identification of the next principal. In case you are unable to attend, information will also be shared electronically and the link to an online feedback form will also be provided.

- Staff Meeting: Thursday, April 5, 2018 at 3:00 p.m.
- Community Meeting: Thursday, April 5, 2018 at 6:00 p.m.

We expect a new principal to be identified in late May and begin formally on July 1, 2018. I look forward to partnering with you to complete this important process and am confident that together we will ensure the continued history of excellence at Quince Orchard High School.

If you have any questions, comments, or if I can be of service during this process, please feel free to contact me at Brian_W_Scriven@mcpsmd.org. I look forward to working with you.

Sincerely,

Brian W. Scriven
Director of School Support and Improvement
