A message regarding student accident insurance

Our voluntary student accident insurance coverage will once again be available the beginning of the school year for all students. In the past, our carrier would mail to each school enough printed student accident brochures for all students. Those brochures were distributed to all students by school staff. In an effort to go paperless our carrier is no longer mailing brochures to schools. In lieu of the brochures a supply of the attached "flyer " will be mailed for each school to copy and to distribute to all students. Brochures and enrollment materials will now only be available online through their website.
