

Do you remember when you were a new family at QOHS?

Wouldn't it have been nice to have had a "host" or "buddy" family to show you the ropes, introduce you to other families, accompany you to programs and events, and help you learn how to get involved? The PTA is sponsoring a "buddy" program to match families new to QOHS with "seasoned" families. We plan to match by grade, gender and/or neighborhood.

If you are interested, please complete the form below and return it to school to the office PTA box. Questions? Call PTA Buddy Program Chairperson Kristin Paolini at 301-977-1056.
