

Money for Nothin'

Let the money you spend work for Rock Creek Forest.

RCFES participates in programs offered by grocery stores and other retail businesses to earn money for the school based on purchases made. The percentages of money earned from purchases vary with the program and retailer but, on average, range from .5% to 5%. Clip labels, turn in receipts, designate Rock Creek Forest ES, do your normal shopping and earn money for RCFES at the same time. It's almost like "money for nothing". Alumni, friends, neighbors and family members can participate. Program details are listed below. Contact Christine King, wtkcck@verizon.net with questions or for assistance. This is a great way to give to our school without spending an extra dime!

Box Tops for Education: The "Box Tops for Education" and "Labels for Education" found on many food products can be clipped to raise funds for the school. On average, the box tops are valued at \$.10 each. Please seal the box tops in plastic bags and leave them in the box marked "Money for Nothin'" just outside of the school office. The program runs all year and collections are due in October and February.
