

Second Grade Standard

Extra, extra, read all about it ...

Wampanoag Life

Despite the rain, the second grade class enjoyed a fieldtrip to The Woodlawn Living History Museum. Students learned how Native American's lived long ago and the importance of living in harmony with nature. Did you know that Native American's used sign language to communicate while hunting? Ask your child what other interesting facts he or she has learned about these indigenous people.

Book-in-Bag

It is important that the book-in-a-bag returns to school every morning. This way, your child will have the book available for book discussions.

S-P-E-L-L-I-N-G

Students are expected to complete 3 spelling activities each week. These assignments are to be done in their spelling notebooks. Students have been given a spelling activity sheet and may pick 3 assignments from the list to practice their spelling words. Spelling notebooks are due on Thursdays.

Conference Time

If you haven't signed up for a Parent-Teacher Conference for November 11th or 12th, please contact your child's teacher to set up a date and time.

Thank you to all the parent volunteers who come to help out. We couldn't have done it without you. Also, thank you to those parents who were able to chaperone our first fieldtrip.

Fall Weather

Make sure your child is wearing appropriate clothing for the changing weather. Also, please label all sweatshirts or coats because students take them off at recess and forget them. This way, we can return your child's clothes back to him/her. Any unclaimed clothing will be brought to the lost and found located in the cafeteria.

Festival

The Second Grade team is planning a Fall Harvest Festival. This is a yearly event that teachers plan in conjunction with our current Social Studies unit on the Wampanoags and Pilgrims. A separate letter will be sent home asking for parent volunteers and other donations for the event. The Fall Harvest Festival is scheduled for November 24th.

Wipes

To help prevent the spread of germs, we are asking parents to donate disinfectant wipes. This is not mandatory, but if you are able to send in extra wipes they would be greatly appreciated. Students are being asked to clean their desks more frequently to help stop illnesses from spreading.
