

RITCHIE PARK INTERNATIONAL NIGHT

Thursday, November 17, 2011

7:00 p.m. – 8:30 p.m.

Ritchie Park's World Gym

Students will "travel" around the Gym "visiting" many different countries with a "passport" which will be stamped for a prize. We need parents to bring these countries to life! Students enjoy the international clothing, music, food and dance!

Entertainment – International Open Mic

Can you play an instrument? Do you know someone who plays international music and would perform? Musicians, solo or with others, are needed! Friends and family members welcome.

Flag Ceremony and Global Parade

We will add flags to the wonderful tradition started four years ago at International Night!
Wear traditional clothing from another country or the United States!
Show your sporting team spirit!

We invite everyone to participate! We need volunteers from every continent to share. We would like tables to fill the gym with displays and activities. This is a chance to share your culture with Ritchie Park families.

Please bring something to share from a specific country-- such as a craft, costume, music, demonstration, photo album, picture, artwork, dance, game, food, toy or other idea. We welcome everything whether it is from your heritage or your vacation.

Please email this information to rpeelee@aoa.org or return this form to school by Friday, November 11.
