Dear Incoming Ninth Grade Parents and Students,

Thank you to parents and students who attended the Incoming Ninth Grade Parent Information meeting on Monday, December 14, 2011. During this meeting, parents and students heard an overview of the academic programs offered and an explanation of the registration process at Richard Montgomery High School.

This is an exciting time, as we have already begun the process of registering students from middle school to high school. Prior to the winter break, our Richard Montgomery High School counselors visited Julius West Middle School. Last month, our counselors began the process of scheduling incoming ninth grade students for the 2012-2013 school year.

To support the transition to Richard Montgomery High School, I have enclosed the Incoming Ninth Grade Transition Calendar. This calendar highlights important transition activities. Your participation in these activities helps ensure a smooth transition from middle school to high school.

I look forward to working with you during this transition process and encourage you to visit our website at <http://www.montgomeryschoolsmd.org/schools/rmhs> to learn more about our instructional programs.

Sincerely,

Nelson McLeod, PhD
Principal
