IB and the College Search

University recognition: How well is the diploma recognized by universities?

The IB diploma is widely recognized by the world's leading universities.

The IB works closely with universities in all regions of the world to gain recognition for the IB diploma:

- Direct online access for university admissions officers and government officials to syllabuses and recent examination papers
- A database of university admission policies on www.ibo.org
- Recognition in over 100 countries
- Recognition by over 2,000 universities
- Some universities offer scholarships and advanced placement for IB students
