

Counselor's Corner

Welcome Back to Rock View!

My name is Sheri Snyder Fogle and I am the counselor. I would like to take this opportunity to introduce myself and tell you a little bit about my role as a school counselor.

I received my Bachelors of Arts from Westminster College in Pennsylvania. I was a 3rd and 4th grade teacher in Gaithersburg, MD. I have recently graduated from Johns Hopkins with my Masters in School Counseling.

I am very excited to begin the 2009/2010 school year and continue to work with all of the wonderful students, staff, and families of Rock View!

The Counseling Program

Rock View has a comprehensive school counseling program. The counseling program addresses the five areas of social, emotional, academic, health, and career development. I plan on collaborating and working with all of the Rock View community to make sure that the needs of each student are met.

A Strategy to Practice DEBUG!

1. Ignore.
2. Move away.
3. Talk friendly.
4. Talk firmly.
5. Get adult help.

Services Provided

Classroom Guidance-

Lessons will be presented each month in classrooms for students in grades K-5. Lessons will teach developmentally appropriate, preventative lessons to all children on topics such as: social skills, self-esteem, feelings, diversity, anger, and the connection between school and the world of work.

Group Counseling-

Group counseling will be offered throughout the school year. The groups generally range from 6-8 students and last for about 6 sessions. The students for groups can be recommended by parents/guardians, or by staff members. Permission slips must be signed for students to participate in groups.

Individual Counseling-

One-on-one counseling support is available to all Rock View Students. This support is intended to address specific emotional, behavioral, or social concerns. Students may self-refer or be referred to the counselor by teachers and/or parents.

Consultations- I am available to have meetings with teachers, administrators, and/or parents to discuss the needs of students. I am here for all students and want to ensure that your child has a productive and positive school year!
