

**Montgomery County Public Schools
SNAP CAFETERIA NEWS for 2008-2009**

- The cafeteria continues to offer the convenience and flexibility of SNAP, a computerized cash register system.
- Students enter their personalized identification number (PIN) to access their account. The PIN number for returning students will remain the same. New students receive their PIN number on the first day of school.
- When making a deposit by check, please write the student's complete name and PIN number on the front of the check. To make a combined deposit for family members at this school, please indicate the deposit amount for each student next to the name.
- Depositing funds into the account eliminates the need to carry money every day. The National School Lunch Program does not permit the cafeteria to extend credit. Each school has procedures in place to ensure that students do not go without lunch if they do not have money.
- Any money left on a student's account last year will be available for spending this year.
- Prepayment to a student account may be made prior to the start of school. To make a prepayment, complete the form below. Returned checks will be subject to a \$25.00 service charge.

ELEMENTARY SCHOOL PRICES
