

IMPORTANT! URGENT! IMMEDIATE ATTENTION!

August, 2011

Dear Parents:

Attached is the 2011-2012 Ronald McNair Comprehensive Emergency Plan. Fire or loss of power or water during the school day may not be announced in advance over the radio or television giving parents warning of early dismissal. Other circumstances and situations which may arise and impact on the usual school day have been included for your information.

Please review this plan with your child, with instructions as to where to go if school is closed. This plan also explains how unusual circumstances are handled to ensure safety of children and lessen anxiety for all.

Please complete and return the Comprehensive Emergency Plan information sheet to your child's teacher by Friday, September 2, 2011.

Your cooperation and assistance are appreciated.

Sincerely yours,

Eileen E. Macfarlane
Principal

COMPREHENSIVE EMERGENCY PLAN
RONALD MCNAIR ELEMENTARY SCHOOL
2011-2012

The school emergency plan for Ronald McNair Elementary School is designed to handle three types of emergencies: Emergencies allowing flexible evacuation, such as loss of power, loss of water, etc.; emergencies of an immediate nature such as major fire or bomb scare, etc.; and emergencies associated with field trips, such as changing or extreme weather conditions.

Emergencies Allowing Flexible Evacuation - Walkers will be dismissed as soon as possible. Bus riders will be dismissed as soon as buses are available. In the event of extreme weather conditions, the front school parking lot will be accessible at dismissal time.

Emergencies of An Immediate Nature - Students will be escorted to Kingsview Middle School and parents will be contacted.

Emergencies Associated With Field Trips - Field trip sponsors will notify school of the emergency, the school will then, using the emergency information provided on the emergency plan, notify parents of any changes.

PLEASE RETURN THIS FORM TO YOUR CHILD'S TEACHER BY FRIDAY, SEPTEMBER 2, 2011.
