Dear Parent/Guardian,

Wholesome and nutritious meals are offered daily in our cafeteria. A variety of items are offered to meet each student's needs and preferences.

Under Section 504 of the Rehabilitation Act, a student may be entitled to receive menu substitutions or texture modifications under the school lunch program. The entitlement occurs when a doctor determines that a child has a disability which substantially limits one or more major life activities. A signed statement from the student's doctor must verify the existence of the student's disabling condition and an indication that the disability restricts the student's diet. If the disability prevents the student from eating the regular school meals, the doctor must indicate the substitution that should be provided to the child. If you believe your child needs substitutions because of a disability, please contact this office.

Sincerely,

Eileen E. Macfarlane  
Principal
