## CELL PHONE PERMISSION REQUEST

We realize that parents may find the need for their child to have a cell phone. We understand that this can be an important safety tool for students who walk to and from school by themselves. In order for a student at McNair to bring a cell phone to school, they need prior approval from the principal, Mrs. Macfarlane. This form must be completed and returned to the office before your child will be allowed to bring a cell phone to school.

- Cell phones must be turned off (not just on vibrate) and placed in the child's backpack once they are on school property.
- The cell phone may be turned on once the student is out of the school building in the afternoon and on his/her way home.
- If the cell phone rings during class or is outside of the student's backpack during the school day and/or the student does not have a permission form on file:
  - First offense: cell phone will be taken away and parent will be required to pick it up from the main office.
  - Second offense: The privilege of carrying a cell phone will be revoked.

Please read this form carefully and discuss the cell phone rules with your child.
