

# *Kindergarten News*

*February 2012*

Dear Families,

The kindergarten team would like to share with you how proud we are of all the students who work very hard during the first half of the school year. We are delighted and impressed with the growth of each of our students! Thank you for being supportive by reading to them daily and helping with the homework. Together we can take pride in the successes of the children!

February has several events:

- \* Report cards will be sent home Wednesday, February 1. Please keep the report and return the signed envelope.
- \* PTA meeting is Thursday, February 2 at 7:00.
- \* Valentine's Day Party Tuesday, February 14 at 2:30. Our room parents are arranging the party. Thank you!
- \* Presidents Day Monday, February 20 No school
- \* McNair's International Night- Friday, February 24

Lastly, this month in reading we will be reading both fiction and information books with a concentration on retelling and vocabulary. We will also continue responding to what we are reading both orally and in writing. In math, we will learn about measurement and geometric shapes. The focus in science will be plants and animals found in Maryland. Social Studies will cover the difference between needs and wants and making good choices.

Many thanks again for your support! It makes a difference with the children!

Sincerely,  
The Kindergarten Team
