2006-2007 Survey of School Environment — Parent Results

This school enrolls PreK through Grade 5 students.

A 35% random sample of families was surveyed in each of Grades 1-5. - 17 Returned (21%)

Interpretation of this information should take into consideration the number and percentage of survey respondents. Comparisons should also take into consideration the characteristics of school populations. Survey data best represent perceptions of the school environment when response rates are high.
