Dear Parents and Guardians,

We had a first ever WINTERFEST this week. This activity, developed by the Culture Committee, provided your children with an opportunity to participate in many sensory activities, working together, and taking turns. We would like to recognize Margarita Gomez, Kim Whitfield, Maria Douglas & Susan Dowling.

We are creating a PAWS Parents' Academy and need your opinions and thoughts regarding topics of interest. Please complete the attached survey or follow the link. Thanks so much - more information to follow.
