Dear Ms. Sudbrink:

It gives us great pleasure to inform you that you have been selected as a winner for an Outstanding Parent award given by the MCCPTA Special Education Committee for the 2008-2009 school year.

We are recognizing you for providing services and/or advocacy efforts that directly relate to our mission as a committee. Our mission statement says, "We strive to support families who have children receiving special education services in the Montgomery County Public School system. Our chairs partner with other resources in Montgomery County so that programs and services may be accessed to the educational benefit of children with special needs."

Your contribution to the acceptance and success of students with special needs is deeply appreciated. This ceremony is one important way for the special needs community to say thank you. It is also a way to acknowledge the benefits of investing in programs for students with special needs.

We hope you will join us for the award ceremony, which will be held on Monday, May 4, 2009 at 7:30 p.m. at Rockville High School, 2100 Baltimore Road, Rockville, MD. There will also be a reception with light refreshments beginning at 6:30 p.m. Enclosed is a flyer that you may wish to share with your school community.

Congratulations on receiving this award, we appreciate your commitment to our families.

Sincerely,

Jeanne Taylor
