

2011 - 2012
Washington Grove Elementary School PTA

Welcome to the WGES PTA! We are a group of parents and teachers who work together to enrich the educational program of our children. We coordinate programs, services and events that are not included as part of the regular school day. For example, we arrange for school assemblies, provide extra science programs for each class, and host several fun family events like the Ice Cream Social and Spring Fair. We welcome all parent and staff involvement.

To learn more about our upcoming PTA activities and ways you can get involved, join our list serve at <http://groups.yahoo.com/group/WGESPTA> and look for us on Facebook (search for Washington Grove Elementary School). You can also contact any of this year's Board Members for more information:
