School Improvement Plan

Developing the SIP

All schools develop or revise a School Improvement Plan (SIP) each school year. Our school has currently drafted the SIP by examining data collected from student assessments and parent and staff surveys. This data is used to determine where we will focus our efforts to enhance and improve instruction based on the needs of our students, staff, and parents; to allocate resources; and to plan parent and staff training. Parents are an important and vital part of the SIP process. We welcome your participation on our team so that your ideas and suggestions can be incorporated into our school's plan. To be part of our SIP team, please contact Mrs. Anna Saladino at 301-929-2010.

Reviewing the SIP

Our draft of the School Improvement Plan (SIP) was developed for the 2008–2009 school year with input from parents, staff, and administrators and is now ready for review. Copies are available in the main office or will be sent to you on request. The SIP explains where we will focus our efforts to enhance and improve instruction based on the needs of our students and parents, conduct parent and staff training, and use resources. Parent comments help us clarify and refine our plan. Therefore, we encourage you to review our plan and submit comments or suggestions to the principal by December 15, 2008. Please call Mrs. Anna Saladino at 301-929-2010 to request a copy.

Notification that the SIP process has been completed

Our School Improvement Plan (SIP) was recently completed for the 2008–2009 school year with input from parents, staff, and administrators. The SIP is now available to parents and the community. In accordance with Title I of the *No Child Left Behind Act of 2001* (NCLB Act), parents who have concerns, need further clarification, or require additional information about the SIP may send written comments to the school principal. Written comments will be kept on file at the school and discussed during SIP review meetings throughout the year. If you would like a copy of the SIP, please call Mrs. Anna Saladino at 301-929-2010. A copy of the SIP is also available on our web site at: <http://www.montgomeryschoolsmd.org/departments/titleone/>
