

# MCPS Passenger Motor Carrier Quality Assurance Program

## Approved Passenger Motor Carriers

(Updated October 16, 2007)

\* Schools should arrange field trip transportation directly with commercial carriers from the following MCPS list of approved passenger motor carriers. This list is continually maintained and new carriers are added frequently.

\* All carriers are required by ADA to provide service with wheelchair lift-equipped vehicles upon demand when given at least 48-hour notice.

\* Schools scheduling tour packages may use tour companies that are not on this list, but the tour company must agree to use a commercial bus carrier from this list!

\* Questions, comments, and suggestions for improving the MCPS Passenger Motor Carrier Quality Assurance Program are welcome and should be directed to Philip McGaughey, Director, Division of Procurement, by email at [Philip\\_J\\_McGaughey@mcpsmd.org](mailto:Philip_J_McGaughey@mcpsmd.org) or by phone at 301-279-3555.
