

Dear Parent/Guardian,

In a few short weeks we will begin our Star of the Week Students! Each student will have one week to display pictures, drawings, or something from home on a bulletin board in the classroom. Students will share their pictures on Monday of their week. If there is no school on the Monday of their week please send pictures on Tuesday.

Star of the Week is a chance for students to get to know each other's likes and dislikes more fully. It is a real chance for your son/daughter to share something special with their classroom friends. Please send **5 pictures** of your child from all ages by the date next to your child's name (attached). On Wednesday of their week please send **something they have made** from home. An example of something to send could be a craft they made in pre-school or over the summer. Please do not send anything larger than a small shoe box. On Friday of their week students may bring in **something special they have done in their life**. It could be a souvenir from a place they have traveled, a trophy or ribbon they won, or even a picture of their first bike ride. Again please keep them smaller than a shoe box.

Attached is a copy of the Star of the Week schedule. The first date next to your child's name is the beginning of their "Star Week". Please send the photos of your child by this date. The other shared items may be sent throughout the week. If you have any questions or concerns feel free to e-mail me at [Justine\\_Carr@mcpsmd.org](mailto:Justine_Carr@mcpsmd.org) Thank you for your assistance.

Thank you,
