

## Miss Hagan's Kindergarten Schedule

This year our kindergarten schedule includes time each morning for reading, writing and language development. Each afternoon we will have time to extend work in math, social studies, science, and kindergarten projects.

- ☺ On Tuesday we have P.E. with Ms. Schneider. Remember to send your child to school wearing sneakers!
- ☺ On Wednesday we have art with Mrs. Smith. Make sure your child is wearing something that will survive if it gets a little messy.
- ☺ On Thursday we have music with Ms. Burson.
- ☺ On Friday we have media with we have time in the media center with Mrs. Bowman. Remember to make sure your child returns his/her library book. Ask to share the new book that was chosen on Monday afternoon.

Most importantly, listen to your kindergartener. Ask your child questions about our days together in school. Send me messages when you have any concerns or smiles you want to share with me. I look forward to working together with your family this year!
