Black Student Alliance	Mr. Chris Jackson	Alexis Oppong	The Black Student Alliance aim is to enrich the lives of black & brown students academically, socially, and culturally within the Churchill HS community via college visits, lectures, and social gatherings throughout the school year.	Meetings will be held in Mr. Jackson's room (114) every other Thursday during lunch.
Blue Ocean Entrepreneurship Club	Ms. Denise Gordon	Jacob Udler	The Blue Ocean Entrepreneurship club works with students to create business ideas and entrepreneurial opportunities. We will work to enter this competition by applying and completing the steps to work towards the goal of \$1,000 cash prize in which if we win will be split evenly among club members. If you have ever wanted to create your own business or are interested in this competition this club is right for you. Any questions, comments or concerns please email blueentrepreneurship@gmail.com	Meetings will be held once a month in Ms. Gordon's classroom (254). specific meeting dates will be announced via email blueentrepreneurship@gmail.com
Books and Beyond	Mrs. Nicole Van Tassel	Emily Tong	Books and Beyond is a book club where we will read at least one book every month that is picked out by peers. There will be a few options to choose from for each genre based on interests and reading ability. We plan on doing at least one book drive where we will collect lightly used books to be donated to a public library. Please email @wchsbooksandbeyond@gmail.com if you have any questions or suggestions, or contact @booksbeyondclub on instagram!	Meetings will be held roughly once a month at lunchtime in Mrs. Van Tassel's room (210). Specific dates will be announced via text.
Bricks & Models	Mr. Scott Hanna	Nick Xu	Are you interested in design, architecture, and art? Bricks & Models is a LEGO designing and buildings ding club. There will be instructions on how to draw and design sets, which will allow you to assemble buildings, landscapes, and whatever you dream about. I will bring Lego pieces, but I encourage everyone to bring them!	We will meet every Friday during lunch in Mr. Hanna's room 242.

			<p>For the members that were to join the club:</p> <ul style="list-style-type: none"> • There will NOT be any outside events (including fundraising). • We will have a group chat for all the members so that everyone will be notified ahead of time of any related schedule changes or club meetings. <p>If anyone is interested, please come to say hello to any of our members and ask about the club. We hope that our LEGO Club is not just a place for fun but also a place where people can communicate ideas and create wonderful masterpieces!</p>	
Building a Bridge with Letters	Ms. Stacye Steele-Yue	Cho-Lin Leung	<p>Building a Bridge with Letters provides Churchill students with the unique opportunity of writing letters to South Korean students (North Korean refugees) in the spirit of facilitating cultural understanding and cultivating foreign relations. We also celebrate Korean holidays with Korean snacks! Please email us at churchillbbwl@gmail.com if you have any questions.</p>	Meetings will be held in Mrs. Steele-Yue's room once a month.
CARE Club	Ms. Yvonne Roe	Kaitlyn Shyy Sebin Jeon	<p>The CARE Club (Caring and Representing Elderly) has partnered with the Brookdale senior living center at Cabin John Village to create a loving environment for the elderly. Our club holds monthly meetings where we create heartwarming cards and crafts for the senior citizens at Brookdale. We warmly invite the Churchill student body to help us create a more positive and welcoming environment for both the elderly and the students at Churchill. There will be food and SSL hours provided at every meeting.</p>	Meetings will be held in Ms. Roe's room once a month.
Caring for the Community	Mr. Jonathan Lee	Yunice Pyo Rachel de Silva	<p>Caring for the Community is dedicated towards volunteering at various places throughout our community to help those in need. Our club focuses on volunteering at Lutheran the Village at Rockville: a local senior citizens home where we socialize with the elderly and help with events in exchange for SSL hours. Our club has also expanded to other places in the community, including local soup kitchens and homeless shelters, which we plan to visit a couple times this year as well. If any questions arise, please contact rwdesilva@gmail.com or yjpyo2020@gmail.com</p>	Meetings will be held in Mr. Lee's room. First Meeting TBD.
Charities on the Run	Mrs. Amanda Marshall	Elizabeth Esterov Jennifer Santoni	<p>Charities on the Run is a club designated to offer students the opportunity to earn SSLI hours by assisting at places like the</p>	Meetings will be held in Mrs. Marshall's room once a month on thursdays. First meeting TBD.

		Stephanie Santoni	Manna Food Drive and various animal shelters and rescues.	
Chemathon Club	Mr. Adam Fugal	Emily Sologuren	The Chemathon Club aims to expand student's knowledge of general chemistry in preparation for the annual Chemathon competition that takes place at the University of Maryland. We will have students conduct hands-on experiments, such as electroplating and acid-base reactions, and solve chemistry-related questions using stoichiometry and understanding of chemical reactions.	Every Tuesday after school in Mr. Fugal's room(240)
Chinese Honor Society	Yih Lee	Rebecca Redlich	The National Chinese Honor Society is a scholastic organization that promotes and recognizes students who demonstrate citizenship, leadership, and community service. The purpose of the National Chinese Honor Society is to encourage its members to become life-long learners in order to gain a better understanding of the Chinese language and culture.	Meeting Room: Lee (250) Meeting Time: 11:10-11:55 Meeting day: Once a month (exact day is TBD)
Charity 4 the Children (C4C)	Mr. Jonathan Lee	Robin Bali	Charity 4 the Children (C4C) endeavours to end child poverty in the U.S. and enhance the lives of children living in low-income families by distributing educational, nutritional, and physical supplements to schools with students who obtain a high rate of reduced lunch fees. Educating the public, hosting several fundraisers, and donating supplies to impoverished schools across the country, in tandem, allows our goal to be achieved. Join C4C to learn more about child poverty in America and help make a lasting effect! If you have any questions or concerns, please contact robinbali2001@gmail.com .	Meetings will be held roughly twice a month after school in Mr. Lee's room (249). Dates and times will be posted via the Facebook group (Charity 4 the Children) or enter the google classroom code: 6zk4bo for the same updates.
Climbing Club	Mr. Eric Imperial	Mei Mei Zuo	The Climbing Club allows students to bond and create new friendships over common interests all while having fun and staying fit! Don't know how to rock climb? We are open to all and would be happy to teach beginners! Join the Climbing Club for a fun time and a great experience! If you have any questions please email churchillclimbs@gmail.com .	Mr. Imperial's room (214) during lunch. Meeting dates and events will be announced via Facebook (Climbing Club at Churchill 2018-2019).
Club Provide	Ms. Margo Hopkins	Chloe Leib	Club Provide works with the Family Justice Center to provide awareness and resources to victims of domestic violence. Club Provide also works to inform and educate about domestic violence through informational videos, posters, and presentations. Club Provide offers programs, such as the Financial Literacy program that was held in April, to students at Churchill. These programs educate students and members of Club Provide about domestic violence.	Mrs. Hopkins room(135) during lunch. Meetings are once a month and meeting dates will be announced through email.

Coding Club	Ms. Rebecca Smith	James van Doorn	Coding Club is a place to learn about coding and create various projects. All are welcome to attend and no previous experience is required. If you have any questions please send an email to churchill.coding@gmail.com .	Once a week during lunch in Ms. Smith's room (130), meeting dates TBD.
Cryptology Club	Ms. Rebecca Smith	Ian Silver	Cryptology Club will teach you the basic and advanced skills that will allow you to encrypt your information and data collected from your website/application securely. 			<p>structure and difficult to assemble, but through teamwork, we can be able to assemble them.</p> <ul style="list-style-type: none"> • The members don't have to worry about purchasing the models. • There will be NO fee require to participate in this club. <p>From this club I also wish to build friendship between members, the true friendship that is made by the hard work together.</p>	
Heartstrings	Mr. Kris Sanz	Jessie Ma	<p>In Heartstrings, we believe in music therapy. We believe that music can be beneficial to all people, and that we can make people happy through our music. Through performing (whether that be by singing or playing an instrument) monthly at homeless shelters, woman shelters, and nursing homes, we strive to provide a relaxing atmosphere to both the performers and the audience. Also, we are planning a fundraiser to donate money to music unites, which is an organization that provides music lessons to those who can not afford them.</p>	One performance per semester; meetings in the music room once a month
Help 4 Refugees	Mr. Chris Forney	Maya Tondravi	<p>The goal of Help4Refugees is to aid in alleviating the everyday struggles refugees face. We will focus on helping Syrian refugees by hosting fundraisers and other events aimed at raising donations. In addition to raising money, we will also set up communication with the Help4Refugees organization and we anticipate being able to set up communications with refugees directly. We encourage everyone to sign up for our club and join our humanitarian cause.</p>	room 209 the first Tuesday of the month during lunch
Helping Hand	Ms. Nicole Van Tassell	Brynja Hammer	<p>The goal of Helping Hand is to volunteer at organizations such as A Wider Circle to help our fellow community members transition out of homelessness and thrive. In addition, we would like to help another community in South America by collecting donations and sending them to orphanages and/or homeless shelters in Santiago, Chile. Any help is welcome!</p>	Meetings in room 211 announced in emails
Himalayan Cataract Project	Ms. Rachel Carter	Reima Mannan	<p>Can you imagine waking up and not being able to see? This is a sad reality for underprivileged people living in poor countries. Himalayan Cataract Project (HCP) aims to eradicate as much unnecessary blindness as possible. HCP has spread globally and has provided over 445,000 surgeries. With your help, this number can increase. As a club, our primary goal is to fundraise and educate the public about ways to achieve high</p>	Meetings will be held once to twice a month in Ms. Carter's room (248) during lunch. Meeting dates will be announced through email and through the Facebook group.

			quality, low cost eye care that can be sustained in the developing world for the long term. If you have any further questions, please contact reimamannan@yahoo.com.	
Hispanic Club	Ms. Yvonne Roe	Jonathan Ramer	The Churchill Hispanic Club strives to teach about Hispanic Culture from countries all across the world. We focus in on a different country each meeting, learning their history and experiencing their culture, along with enjoying a sample of native food from that country. We welcome studently of all races and ethnicities. Join us for free food and free shenanigans!	Room 222 Every other Wednesday 11:15
Homes for All	Mr. Bryan Clark	Jessica Reicin	Homes for All will help raise awareness of homelessness in the Churchill community. This club will highlight the problems of homelessness nationally and locally. We will organize volunteer efforts to benefit the homeless in Montgomery County. We will host and cover different events throughout the year, share stories of homeless people, provide statistics on homelessness and allow time for question and answer sessions during each meeting. We plan to host canned food drives, visit homeless shelters and volunteer to sort and organize food for agencies that provide food for the homeless locally. You must attend meetings once a month and participate in one volunteer initiative outside of school. In this club you will be able to raise your awareness of this important social issue, make new friends, and give back to those less fortunate in the community.	
i-Illustrate	Ms. Dana Mooney	Kristin Zhu Claire Yang	Do you like drawing but don't have time to take an art class? i- Illustrate is a group that strives to spark an interest in drawing and allows those already interested to express themselves and expand on their creativity. This year, we will explore the use of different mediums including watercolor, digital painting, and etc. Weekly submissions will be featured on our facebook page. All students are welcome to join and no experience is necessary!	Tuesdays @ 11:15 in Mrs. Mooney's room (Room 276) Unless notified otherwise.
International Student Alliance	Ms. Stacye Steele-Yue	Cho-Lin Leung	Do you want to celebrate and learn about other cultures! Join the International Student Alliance to organize Churchill's International Night! We'll be bringing performers, cultural presentations, and of course, food to bring the Churchill community closer together in a night full of fun!	Meetings will be held in Mrs. Steele-Yue's room (127) twice a month unless notified otherwise.
Investment Banking	Mr. Eric Imperial	Serena Xu	The Investment Banking Club will introduce students to the concepts of investment banking. The club will provide students' opportunities to build	Meetings will be held roughly once a month in Mr. Imperial's room (214) on Thursdays during lunch.

			common financial investment knowledge, listen to guest speakers, and participate in a stock trading simulator. Join the Facebook group, WCHS Investment Banking Club 2018-2019!!	
It's Academic	Mr. Curt Hart-Southworth	Melanie Heller	Like Jeopardy? Know random stuff? Want to be on television? Join It's Ac, and bring your friends. Show off your knowledge on anything from the World Series to Spanish Literature. Novices are welcome. Play with real buzzers and come to tournaments to compete against other schools. We attend regional, state and national tournaments, and there are many spots available to participate, so make sure to join!	Wednesdays and Fridays during lunch in Room 245 (back of the cafeteria)
Jam Club	Mr. Ari Allal	Andrew Robinson	The Jam Club's purpose is to bring students together for the purpose of playing music. We encourage all students, even those who have never played an instrument, to come to our sessions and we will teach or advance your skills.	11:30 at lunch- Dates to be decided
Jewish Student Union	Mr. Bob Roos	Samara Kass Jordyn Wagman Marielle Weisman	JSU is all about sharing Jewish culture and traditions with the students of Churchill with fun, inclusive programs and activities at our meetings. We try and make each meeting about a new and exciting topic converting what's going on in the world for Judaism, and talk about upcoming holidays with food and activities that correlate with each event. You don't have to be Jewish to join!"	First half of lunch in room 126 every other Tuesday.
Junior Civitans	Ms. Jennifer Czaplicki	Hannah Kim	Junior Civitan is an international student-led community service organization created to help others and encourage progress. We strive to get students involved in their communities by helping with various community service projects and activities. From making sandwiches for the homeless shelter of Montgomery County to writing letters to veterans and children in hospitals, Junior Civitans are dedicated to making a difference in their world and having lots of fun doing it!	Lunch, First Tuesday of every Month and After school 3rd Thursday of every month. Additional meetings as needed to accommodate specific activities. (Room 150).
K-Dance Club	Mr. Scott Hanna	Julia Maa	K-Dance club exists to promote and incorporate Korean culture in Churchill through dance. Dance is an art form that allows for expression and is a good source of exercise. We'll be learning various dances from kpop bands, 1 Million Dance Studio, and even non-Korean sources. We'll probably mess up on dances, but the fun is worth it!	Wednesdays @11:15 in Mr. Hanna's room
Key Club	Mrs. Brandi Heckert	Jessica Pan	Key Club volunteers in service projects for charities and other non-profits for	Last Thursday of every month @ 11:15 in Rm 126

			SSL hours during lunch and outside of school.	
Korean Language & Culture Club	Dr. Yong-Mi Kim	Angelina Chung	안녕! 어서와, 한국은 처음이지? Hello! Welcome to the Korean Language and Culture Club! In this club, you will gain insightful knowledge about the Korean culture, whilst learning the language itself. Not only will we learn about ancient history, but we will also be learning about modern cultural developments like K-pop! Informative historical dramas will also be played during some of the meets. Traditional Korean games will be taught and played. Korean food will sometimes be served during meetings. Come have fun with us every fourth Fridays of the month in Room 237 at lunch! An email will be sent out in advance for the first meeting, the date of which is TBD. Follow us at @wchskoreanlanguageclub on instagram for club activity pictures, and email us at wchskoreanlanguageclub@gmail.com for more information!	Friday lunches in Room 237. First meeting TBD.
Las Mariposas Amarillas (Spanish Book Club)	Ms. Kristin Bornscheuer	Abby Sachar	Attending Las Mariposas Amarillas meetings is one of the best ways to practice your Spanish skills in a fun environment! Each month, we choose a short story written by an acclaimed Spanish-speaking author to read and discuss in Spanish. Everyone is welcome to come to engage in the conversation and to read some super cool literature.	Once a month in Sra. Bornscheuer's room, 268.
Leaders Association	Yih Lee	Zijia Li	We help to provide people with information related to college applications, leadership opportunities, and internship or volunteering opportunities. We hold meetings to invite people to share their experience about college and internship applications, send emails and documents to our members about different kinds of scholarship and volunteer opportunities.	Once a month in Ms. Lee's room, 252. Exact date TBD.
Churchill for a Cure (Lemonade for the Children)	Ms. Marianna Lancaster	Wysh Anstine	Churchill for a Cure is a club that's main priority is to raise funds and participate in activities to better The Children's Inn at NIH. The Children's Inn is a place that families can stay for free while their child is ill. It is truly a welcoming place, that feels like home. We strive to make the experience better for not only the children, but for their families as well, by making and bringing gift bags to the children on holidays, donate to the inn and more.	Ms. Lancaster's Room, 116, during lunch, about once a month

Liberty in North Korea (LINK)	Ms. Laura Zitnik	Victoria Gunawan/Megan Park	LiNK aims to raise money and awareness for the non-profit Liberty in North Korea (LiNK) which is continuously sending missions to rescue refugees who have fled North Korea.	3rd Thursday of every month @11:15 in Ms. Zitnik's room
Link Generations		Melissa Marks	The Link Generations club is a branch of a non-profit organization where students are able to give back to the community by volunteering at elderly care facilities. Though students will be able to earn SSL hours, the main goal of the club is to teach students how to positively impact the lives of older adults. Members will be expected to attend as many out of school trips to the elderly care facilities as possible.	First Wednesday of every month Trips to earn SSL at the elderly care facilities will be one Sunday each month.
Literary Magazine	Ms. Christin Nixon	Isabelle Cherot	The Literary Magazine is one of the 3 publications at the school; it is an annual publication that focuses on the best art and creative writing produced by students that year. There is a class but students do not need to be in the class to participate. Students work on collecting submissions, judging, fundraising, and then producing the magazine.	Every Wednesday in room 227
Little Dresses for Africa (L.D.F.A.)	Ms. Tiffany Carmi	Maya Hatoum	The Little Dresses for Africa project this year is to make at least 250 dresses out of pillowcases and send them to the official LDFA organization who will ship your beautiful creations to Senegal to help girls in need. We will also host fundraisers, such as bake sales, to donate money to the organization for shipment.	Once a Month, Mrs Carmi's room 270, every friday
Manna Smart Sacks	Mr. Adam Fugal	Deven Desai Jessica Pan Medha Tumkur	Want to help others? Manna Smart Sacks is a program created by the Manna Food Center to provide underprivileged elementary school students, whose meals at school are their only meals throughout the week, with nutritious food on the weekends. We pack and deliver "sacks" of healthy food to these students monthly. Participating in Churchill's Smart Sacks club is a unique way to aid your peers from all around the county. SSL hours are available!	The first and last Monday of each month in Mr. Fugal's room (240) during lunch.
Math Team	Mr. Hsinyu Ho	Jessica Pan	Math Team prepares for and competes with other high schools in math competitions. We meet for practices and competitions either Tuesdays at lunch or Wednesdays after school.	Tuesdays @ 11:15 in Mr. Ho's room
Middle Eastern-North African Culture Club (M.E.N.A.)	Mr. Jonathan Lee	Leah Stein	The MENA Culture Club seeks to connect Middle Eastern students in Churchill as well as teach members about Middle Eastern customs through delicious food and great music. All students are welcome to join the MENA Club and enjoy the music, traditional foods, and games.	Meetings will be held in Mr. Lee's room. Exact dates are TBD, but all meetings will be announced through email and the daily dose.

Midnight Writers	Ms. Stacye Steele-Yue	Maya Simon	Do you love art, writing, and baked goods? If you answered "Yes" to everything in that question (or just really enjoy baked goods), join Midnight Writers! We are Winston Churchill High School's renowned monthly publication that features student writings and artwork. Anyone can submit their work, whether it's a haiku or 3-part epic! Midnight Writers contributors use pseudonyms and each issue revolves around a theme, allowing for maximum creativity. We hope to see you join the crew-Carpe Noctem!	The beginning of each month (usually on a Friday) @11:15 in Senora Steele's room.
Minority Scholars Program (MSP)	Ms. Puja Sharma	Chelsea Tetteh Aina Breen	The Minority Scholars Program - a student led, student based, and student driven program, aimed at closing the achievement gap - has four key initiatives employed throughout all members school programs: community outreach, peer to peer tutoring/mentoring programs, college visits, and a speaker series. These key initiatives and all other MSP efforts are aimed at positively changing the various school cultures such that success and achievement are no longer predictable by race, class, ethnicity and/or gender.	Chelseatetteh@gmail.com 1st and 3rd Tuesday of every month room TBD
Mock Trial	Ms. Malanoski	Gunjan Singh Michael Kalin	Do you love to argue? Can you imagine yourself on TV shows like Law and Order? If so, you should consider trying out for Mock Trial! The Churchill Mock Trial team competes in mock criminal and civil cases against other Maryland high schools. All our trials are based on relevant and thought provoking current events. We hope to see you there!	TBD
Model Congress Club	Ms. Mainwaring	Jessica Pan	Model Congress debates with other students around the nation over student-written bills about domestic issues in weekend conferences in locations such as NYC and DC.	Thursdays @ 11:15 in Mrs. Mainwaring's room
Model United Nations Club	Mr. Paul Jacobson	Nicole Bratton	The Model United Nations Club practices and prepares for conferences in which students assume the identity of a country's representative and debate policy to reach peace in a simulated United Nations environment.	Wednesday's at lunch in Mr. Jacobson's room
Montgomery Boat Club (MBC)	Mr. Bryan Clark	Lana Cantilli	A co-ed, competitive juniors rowing club in Montgomery County, Maryland. We partner with Churchill Crew but our members are not just from Winston Churchill High School. They are from Bullis, St. Andrew's Episcopal, The Heights, The Lab School, Wootton, Stone Ridge, and St. Anselm's. We welcome students from other public and private high schools in the greater	During lunch in room 211 when announced.

			Washington, D.C. area and not just Montgomery County, who have no opportunity within their own school to join a co-ed rowing club. We offer them the opportunity to race for MBC as well as represent their own school. Our goal is to teach high school students the art of rowing, the reward of discipline and hard work, and the satisfaction of victory.	
Music Tutoring Club	Mr. Ari Allal	Hannah Suh	Students are able to teach and learn from other students about music, including but not limited to: music theory, sight reading, new instruments.	Monday's at 11:15 in the Band Room
Muslim Student Association (MSA)	Mr. Paul Jacobson	Fatima Yazdi	The Muslim Student Association is a club open to all students which focuses on bringing students together to participate in various activities in order to increase one's knowledge on Islam and its culture. Students will be able to attend various workshops, go on educational field trips, listen to guest speakers, attend the Muslim InterScholastic Tournament, as well as fundraise for future programming.	Meetings are the first tuesday of every month, beginning at 11:10 in Mr. Jacobson's room.
National English Honor Society	Ms. Mary Dempsey	Jenna Greenzaid Adlee Heshmat Sophie Liss Sabrina Nusraty	The Churchill Honor Society is the place to be for all lovers of the written word. EHS has fun events such as a yearly used book fair and Valentines Day social but also participates in fundraising and peer tutoring. This honor society does, however, limit membership to Juniors and Seniors of excellent academic standing. Applications will be accepted during the month of September. Please visit the English office for more info.	Various dates throughout the school year. Most meetings are in the auditorium or rm. 226. Some smaller events may be in Ms. Dempsey's room (228).
National Honor Society	Ms. Jamie Frank	President Emily Feigen VP Mia Hazra Secretary Julia Greenberg Treasurer Ian Rosenthal	The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. Open to Seniors and Second semester Juniors through an application process.	Identified in Google Classroom
National Technical Honor Society	Ms. Marla Rudnick	Deven Desai	The National Technical Honor Society (NTHS) recognizes outstanding students with achievements in technology. Through the thousands of schools and colleges that are affiliated with the Society, NTHS encourages higher scholastic achievement and cultivates a desire for personal excellence. Benefits of being a member of NTHS include: letters of recommendation, access to the NTHS online career center, as well as the opportunity to apply for scholarships. The NTHS Jon H. Poteat Scholarship	Meetings are at lunch in room 130B, dates TBD

			opens each September 1st and closes the following April 20th. Information on how to apply to these scholarships will be provided to members. NTHS is open to rising sophomores, juniors and seniors. Students may apply at the beginning of the year (for membership for the current school year) or at the end of the year (for membership for the next school year).	
Nerds to the Rescue	Mr. Curt Southworth	Tom Langerman	In Nerds to the Rescue, we will be going to local elementary and middle schools after school to tutor the kids in math.	After school at churchill feeder school 2 times a month and in room 122, Mr. Southworth's room, once a quarter at lunch.
Neuroscience Club	Ms. Wendy Franklin	Robyn Peterson	Neuroscience is the scientific study of the structure and function of the brain and nervous system. This club aims to explore the major aspects of neuroscience and expand the knowledge of those interested. We will hold fundraisers for neurological disorders and occasionally have speakers in the field come in to discuss their career.	Meetings will be posted in the Facebook group. All meetings are during lunch.
Oceanic Exploration and Conservation Club	Ms. Victoria Manistre	Isabella Weil	The Oceanic Exploration and Conservation Club's goal is to help protect our oceans and marine life while simultaneously learning about Earth's oceanic ecosystems and how different surrounding influences affect them. We will set up fundraisers, hear from scientists, and host a beach cleanup trip at the end of the year. Members will learn how our actions have affected large bodies of water and their inhabitants and we will look at possible techniques and solutions to fix these issues.	Meetings will be during lunch Dates TBD
Operation Smile	Mr. Stephen Wilson	Hannah Zozobrado	Cleft lip and cleft palate are one of the most common birth defects internationally, first-world to third-world countries alike. Many of these babies diagnosed unfortunately lack the safe surgical care and often cannot afford it. Our goal in Operation Smile is to spread awareness on the severity of this birth defect as well as host local fundraisers in order to raise money, a portion of which will be donated to the official organization of Operation Smile. Make someone smile with your participation by joining our club's operation!	Meetings are during lunch Dates TBD
Paper Folding Club	Ms. Mina Choi	Angelina Chung	Paper Folding Club Presents: United Nations! This year we will have a recurring theme concerning many different countries. We will focus on making paper crafts concerning a wide variety of cultures, including Korean, American, Arabian, etc. Our goal is to unite people of different cultures that share a common interest in paper folding, hence our theme. Take your time making	Fridays at lunch in Room 237. First meeting TBD.

			art in our stress-free environment! You don't need to be good at folding already to join this club--beginners, experts, intermediates, all are welcome. Improve your dexterity, expand your folding skills, and most importantly, have fun! We meet in Room 237 on every first and third friday of the month at lunch. The first meeting is TBD, an email will be sent out when decided. Snacks will be provided in every meet. Follow us @paperfoldingclub on instagram if you would like to see more!	
Photo Club	Ms. Amy Gilbert	Jerry Liu	The goal of the Photography Club is to provide a supportive environment for interested photography students to share their creativity, knowledge and passion for photography. All students are welcome to join, experience in photography is NOT a requirement. The club will hold regular meetings and discussions, provide hands on experiences, and organize event such as field trips and guest lectures.	Mondays @11:15 in Ms. Gilbert's room. (room 237)
Positive	Ms. Amanda Marshall	Gloria Herman	A space for the LGBT+ students of Churchill and their friends to discuss issues and meet new people. Activities include out of school gatherings, pride month events and planning, and guest speakers.	Meetings during lunch, dates announced in emails and in Facebook group.
The Productivity Union	Mr. Scott Hanna	Yoel Altmann	A workspace for self-driven, ambitious students. The Productivity Union ensures that any student that participates will make substantial progress in their studies.	After school, twice a week.
Project Protect	Ms. Amanda Marshall	Priya Kalla	Project Protect is a club that aims to improve self-confidence by teaching basic self-defense as well as teaching methods that improves self-awareness. These are important skills to have in case of emergencies and are necessary for protection. While our main focus is protection, Project Protect is also a great way of meeting new people and getting some exercise.	Meetings in room 236, every other Thursday . for the first half of lunch, first meeting date TBD and will be announced on our facebook page (Project Protect 2018-19)
Raspberry Pi Club	Mr. Jonathan Lee	Jeremy Oblon	The Raspberry Pi club is all about using the Raspberry Pi. What is a Raspberry Pi? A Raspberry Pi is a computer the size of your hand designed to teach kids how to program. Aside from supporting almost all of the coding languages, it also can perform word processing, video formatting, and access the internet. For any questions please shoot me an email at jeremy.oblon@gmail.com and yes, I do check my email everyday and will respond.	Posted in facebook group or sent out by email. If you join I will make sure you know when the meetings are.

Realizing Every Action Can Help (R.E.A.C.H.)	Ms. Stacye Steele-Yue	Emma Bomfim	R.E.A.C.H. club focuses on community service at a local level, providing members with numerous opportunities to volunteer at local organizations and earn SSL hours, in addition to its global service project where we fundraise for an international organization.	First Monday of each month in Ms. Steele-Yuen's room
Red Cross Club	Mr. Bryan Clark	Anita Farid	Red Cross Club aims to empower students of Churchill to support the Red Cross Mission of alleviating human suffering and supporting those who fight for our country through Red Cross community services planned throughout the year. I am planning volunteer opportunities and SSL will be provided! All proceeds earned will be donated to the Red Cross. If you have a question or a concern email me @anitafarid01@gmail.com	First Tuesday of each month in Mr. Bryan Clark's Room during lunch (Announcements will be made if there are cancellations or change in meeting days)
Robotics Team	Mr. Yuri Achille	Daniel Yi	Churchill Robotics Team spends each Spring preparing for the annual BotBall competition. We build and program robots to complete specific tasks such as picking up certain objects and placing them into bins. Potential members do not need any prior experience working with robots!	After school meetings at President's house during the Spring. Come to at least 2 meetings each week.
Science Bowl	Mr. Scott Hanna	Manu Sundaesan	The National Science Bowl is an interscholastic competition organized by the US Department of Energy. Test your knowledge in 5 distinct areas of science, including biology, chemistry, physics, and mathematics. Teams will compete at regional/state levels.	Meetings during lunch on Wednesday's in Mr. Hanna's room (Rm. 242)
Science National Honor Society	Mr. James Nugent	Garyk Brix	Encourages participation in and recognition of scientific and intellectual thought, to advance students' knowledge of classical and modern science, to communicate with the scientific community, to aid the civic community with its comprehension of science, and to encourage students to participate in community service, and in turn, encourage a dedication to the pursuit of scientific knowledge	Meetings in room 126 during lunch on the 1st Wed of the month in Oct, Dec, Feb, and Mar, with two additional meetings for induction (Sep) and the senior luncheon (Apr or May).
Science Olympiad	Mr. Jonathan Lee	Sophia Fang	Science Olympiad organizes teams to compete in regional and state Science Olympiad competitions and provides a platform to those interested in STEM.	Tuesdays during lunch in Mr. Lee's room (249)
Simon's Heart	Ms. Tristina Kim	Hannah Weitzman	Simon's Heart helps raise money and awareness for this non profit organization. Even though the organization is based in Philadelphia, we still teach members the benefits of how an AED can save a life. The club meets once a month at school we start the first two meetings off with learning about the	once a month on tuesdays in Ms. Kim's room

			organization and making posters for school.	
Slam Poetry	Ms. Christin Nixon	Dani Miller	Do you like poetry? Writing? Performing? Then join the award winning Slam team! Students write and perform original pieces of poetry to then compete on local and national stages.	
Snow Sports Club	Ms. Shelly Perrett	Ben Eisler	Are you interested in skiing or snowboarding? The Snow Sports club provides an environment for winter sports enthusiasts to discuss their skiing and snowboarding experiences and plan trips to the local ski areas.	We meet in Mrs. Perrett's room (229) Meeting dates TBA
Social Science Club	Mr. Scott Hanna	Shelton Zhou	Are you interested in Social Science? Doing cool things that involve confidence, courage, and going out of your comfort zone? Not much experience but really want to experiment? Then join The Social Science Club! You can expect interesting encounters with strangers ;) We will brainstorm ideas for experiments every month, and film it like every other youtubers to explore differences between students. It will be a great experience to practice your acting, filming, and editing skills, and help you to be more calm in front of public.	Every week or two weeks of Tuesday lunch at Mr. Hanna's room, and other time mandatorily upon notice
Sports Analytics	Mr. Kevin Doherty	Ethan Miller	Students in the sports analytics club will meet and discuss data and trends that influence sports. These discussions will span all different sports and provide a place to converse about the sports you love and learn about the data behind sports all the while.	Meeting will occur once a month and will be announced in the Facebook group
STEM Club	Mr. Yuri Achille	Rachel Wu	Do you like technology? Making cool stuff that involves computing, mechanics, electronics, or a whole lot of trial and error? Not much experience but really want to learn? Then join STEM club! We compete in the FIRST Tech Challenge robotics competition, team capture the flags, attend hackathons, and develop personal projects (ie: face recognizers, painting applications, and script pranks). Additionally, we provide an estuary for education. For rookies and veterans alike: we'll hold occasional "crash courses" of topics in demand at lunch. If you lean on the computing side of things, bring your laptop if you have one. If you have your own electronics/builds you would like to tinker with, bring them in too! Visit the site for more at: wchsstem.club	Every lunch at Mr. Achilles room (room 156A in the back of the cafeteria!) and other times upon notice.
Students Promoting Integrity,	Ms. Sara Nemati	Laura Sneller	We play the music between periods on Fridays and organize CHS's Bulldog Day of Service. If you enjoy enriching the	The last Wednesday of every month at 11:30.

Character, and Enthusiasm (S.P.I.C.E.)			CHS community while also jamming out to good music, this is a club for you!	
Table Tennis Club	Ms. Mary McGehee	Hieu Pham	Table Tennis is a sport that is really easy to grasp, and extremely fun to play, even if you are a beginner. Come play at our club if you are interested in this fun sport!	Every thursday in the back gym during lunch
Theta Psi Beta Step Team	Ms. Ruby Reese Moone Dominique	Alexis Oppong	Step is a type of rhythmic dance that includes a series of stomping and clapping. Churchill's Step Team is a very open, welcoming, and diverse family for those who do/don't have any stepping experience. We preform at basketball games, pep rallies, and other Montgomery County school events.	Practice runs every Monday, Tuesday, and Wednesday from 2:40pm - 3:30pm in front of the cafeteria.
Think Big	Mr. Yuri Achille	Ryan Needle	Think Big is an entrepreneurial club that encourages curiosity and inspires creativity amongst students through innovative ideas and projects.	About 1-2 times per month. Day TBD
Thrive Club	Ms. Makeyda Soriano	Zijia Li	We focus on providing students with fun, stress-free events during the school year, as well as promoting a positive culture at Churchill. We are dedicated to raise the awareness to students' mental health and help them to relieve stress. We organized activities such as: yoga, meditation, panel discussion, and lectures. We also have projects such as: painting T-shirt, creating posters, and making banners.	Twice a month in room 124. Exact date TBD
Traditional Asian Music Club	Ms. Rebecca Smith	Claire Yang	Traditional Asian Music Club strives to promote traditional Asian music in both school and in the community. We will be exploring various traditional Asian instruments, such as janggu, guzheng, and hygeum. We will also practice music pieces, watch performances, learn about the history of the instruments, share tips, and more! In addition, we will be performing at different cultural events at local schools. Any student is welcome to join and we hope to see you!	11:15 in Mrs. Smith's room(Room 130), Exact Date TBD
Ultimate Frisbee	Mr. Southworth	Jerry Liu & Ben Malech	We play ultimate in fall and spring. We have chill practices, and we have games and tourneys on the weekends. Contact captains for more information. bigbenfootball@gmail.com or zhueyanliu@icloud.com	TBD
UMTTR Club	Mr. Curt Southworth	Bradley Furgerson	umttr is a community of young adults leading a movement to change the story from teen bullying, depression and suicide to a compassionate culture where every person matters.	Meetings in room 122 (Mr. Southworth's room). Typically occur once a month, and will be announced on the daily dose as well as our Facebook group.
Churchill Visiting Musicians	Mr. Kris Sanz	Darren Chang Kristin Zhu	The Churchill Visiting Musicians Club is dedicated to providing musical entertainment for elderly in nursing homes and other senior facilities. At our meetings, we will select and practice our music pieces, discuss upcoming	Meetings are held Mondays @ lunch in 126 or Mr. Sanz's room (128A). Meetings are held on a weekly basis unless notified otherwise.

			performances, and plan other out-of-school events. Information on dates and events will be sent through emails, our facebook group (Churchill Visiting Musicians), and other social media platforms. This is a wonderful opportunity for musicians to socialize, build connections, spread the joy of music throughout the community, and most importantly, to have fun!	
Water Activities	Mr. Bryan Clark	Lana Cantilli	Montgomery Boat Club (MBC) is a co-ed, competitive juniors rowing club in Montgomery County, Maryland. We partner with Churchill Crew but our members are not just from Winston Churchill High School. They are from Bullis, St. Andrew's Episcopal, The Heights, The Lab School, Wootton, Stone Ridge, and St. Anselm's. We welcome students from other public and private high schools in the greater Washington, D.C. area and not just Montgomery County, who have no opportunity within their own school to join a co-ed rowing club. We offer them the opportunity to race for MBC as well as represent their own school. Our goal is to teach high school students the art of rowing, the reward of discipline and hard work, and the satisfaction of victory.	TBD
We Make Movies	Ms. Yvonne Roe	Nathaniel Palmer Walter Blackwell	WMM is focused on creating a environment where students particularly interested in film can learn the nitty-gritty foundations of filmmaking and participate in hands-on filmmaking. Members will learn specific topics that pertain to the movie making process which they will apply to a film project that they will plan together from script to film. Overall we want to make this year fun while promoting an opportunity to create something new. Feel free to contact the club staff with any questions regarding planning, meetings, and equipment. Natepalm.eze@gmail.com blackwellgag@gmail.com	Meetings will be held in in Mrs. Roe's room during lunch
Women in Politics	Ms. Jamie Frank	Gunjan Singh	Women in Politics strives to educate young women about opportunities that can be obtained in the political world. We seek to spread information and resources on how young women can get involved in politics and what lasting changes they can make. We intend to do this by inviting speaker to teach us about their experiences and hold workshops to learn how to become involved.	TBD
Women in Science	Mrs. Nicole Van Tassell	Mei Mei Zuo	Women in Science seeks to promote interest and awareness in science by inviting female scientists to come and	Mr. Lee's room (249) during lunch. Meeting dates and events will be announced via Facebook

			<p>speak about their jobs! We will have multiple guest speakers come in and describe their job, what science majors there are, and much more! All are welcome! If you have any questions please email wchswomeninscience@gmail.com.</p>	(WCHS Women in Science 2018-2019).
Women's Technology Education (WTE)	Ms. Rebecca Smith	Enaya Saleh	<p>The objective of WTE is to empower underprivileged women and children through technology education so that they may one day be self-sufficient. A technology related skill set can turn disadvantaged into productive members of society. Our mission targets third world countries such as Bangladesh. Club activities include fundraising, discussing the importance of technology education, and speaking directly to those benefiting from our efforts via Skype.</p>	Ms. Smith's room (130) during lunch. Specific meeting dates will be announced later.
Young Democrats	Mr. Paul Jacobson	Adlee Heshmat	<p>We are young and we are Democrats. Please sign up for our mailing list! Message adlee_heshmat@hotmail.com for more.</p>	TBA
