"As we express our gratitude, we must never forget that the highest appreciation is not to utter words, but to live by them."

~ John Fitzgerald Kennedy, Thanksgiving Day Proclamation 3560
November 5, 1963

Dear School Community,

Many of our families will spend time over the upcoming break traveling and visiting with friends and family. As travel and crowded indoor gatherings can increase the risk of respiratory infections including COVID-19, MCPS is making at-home rapid test kits available to students and staff prior to the break.

At Baker Middle School, we started distributing the test kits on November 6, and will have distributed kits to all students before Thanksgiving.

Testing is not mandatory. We are depending on our staff and families to [consider their exposure risk](#), and test and report positive results accordingly.

The InteliSwab test takes 30 minutes for results and has an extended expiration date. Test kits should be used for staff and

Holiday Giving Project

The Holiday Giving Project provides **Thanksgiving and December Holiday assistance to low-income households.**

If your family would like to be referred for possible assistance for the December holiday season, please complete the referral form by clicking [here](#).

December Holiday Referral Deadline – November 20

While a referral is not a guarantee of assistance, the Project will help as many families in need as donations will allow.

If you have any questions, please contact **Mrs. Jones, School Counselor**, at Shannon_Jones@mcpsmd.org or 240-207-2410.

[MoComCon](#), an all-day, all ages event celebrating all things comics, graphic novels and fandoms, returns Saturday, Jan. 20, at the Germantown Library.

As part of the celebration, MoComCon will include art and essay contests. The art contest is split into three age groups: child (5–12); teen (13–17) or adult (18+). Participants are asked to create artwork of their favorite character from any fandom, book, television show, movie, game or invent your own original character.

The essay contest is for anyone between the ages of 8–14. Entrants are asked to write a 300-500 word essay from the following prompt: Tell us about your fandom origin. What fandom did you first get into and why? How has it made an impact on you, and why is it important to you?

The deadline for both contests is 5 p.m. on Friday, Dec. 1.

Entry forms for both the art and essay contests must be included with all submissions and all submissions must be submitted electronically. Contest finalists and winners will be notified by email or phone prior to MoComCon.

students. For other family members, free rapid test kits are also available at most [public library locations](#) and [by mail](#).

What do I do if the rapid test is positive?

Staff and students positive for COVID-19 should notify their school or program directly if absent due to COVID-19.

Individuals who have a positive COVID-19 test will need to follow [CDC guidelines for isolation](#).

Please remember that respiratory infections like influenza and RSV are also circulating in our community. Healthy habits including isolating when sick, good handwashing and covering coughs and sneezes help prevent illness.

MCPS is rolling out Remind, a new communication tool for schoolwide messages. In order to ensure that you are receiving messages, **please update your communication info — email, phone numbers, etc.**

Time to Bundle Up

With the freezing temperatures in the morning we want to remind you that our doors open for students at 7:50 a.m. on regular school days and 9:50 a.m. on days when there is a two-hour delay. Staff are not on duty until those times and, thus, there is no one to supervise your child or let them in to the building.

Please make sure students come bundled warmly in preparation for the cold temperatures outside. Thank you!

Baker M.S. Chromebook Obligation Policy

MCPS does not charge a Technology Fee for students' use of an MCPS issued Chromebook. The use of a school issued device — chromebook, charger, and case (available for free upon request) — during the school day or at home, is a privilege that comes with responsibilities. If a repair for a damaged device incurs a charge, a financial obligation will be issued.

- Damaged or lost chromebooks should be reported to the students' advisory teacher. There will be chromebook repair days during advisory every Monday, Wednesday, and Friday in the media center.
- Baker/MCPS reserves the right to charge full replacement cost if the device is intentionally damaged.
- Any damage that occurs to a device **while not in the case** will be considered intentional. The first chromebook case is free upon request. Students can get a case by asking any of their team leaders or coming to the media center during chromebook repair days during advisory.
- Any damage that is caused by another student should be reported to security.
- Charges will not be issued for devices damaged by fire, flood, or natural disaster.
- If a malfunction is determined to be the result of routine equipment usage, there will be no repair charge.

Replacement Costs:

Chromebook — \$307; Charger — \$28; Case — \$15

School Cash Online is the preferred method of payment for Technology Replacements
