Dear Kingsview Families:

Course-related fees are not charged for textbooks, supplementary readers (such as anthologies, atlases, or workbooks), most materials of instruction, audiovisual aids, stationery items not commonly found in the home and required for the student to demonstrate mastery of course objectives, or building or office materials needed to operate schools.

The approved course-related fees primarily fit into three categories as follows:

- Items consumed by the student as a part of the course (example: recipe ingredients).
- Component parts of a product that will become student property (example: sculpting clay, model airplane kit).
- Materials of instruction or items of personal use that become the property of the student for reasons of personal hygiene or industry standards (example: tap shoes).

Students are expected to bring individual organizational tools and personal supplies (such as notebooks, pencils, and paper) from home. In addition, there are student fees which are not course-related but local school decisions made by the principal in collaboration with the school and parent leadership. These may include class fees, special team activities, etc. There also may be fees related to field trips, but these will be shared each time there is a trip and not in advance as a course fee.

In circumstances when a course is selected with a fee or a fee is attached to a field trip, we are committed to providing all students, regardless of their economic circumstances, with full access to all courses, instructional materials or field trips required for the instructional program. A student, his/her parent or guardian, or any student advocate may request an adjustment to the any fee associated with a course or field trip. Please contact the teacher, the counselor, or the administrator who will work with you to meet your needs. You and your child will have options that include a schedule of payments, a reduced fee, or a complete waiver.

If you have any questions regarding the course-related or field trip fees being charged at our school for the 2023–2024 school year, please contact Mrs. Elisabeth Gross, school financial assistant, at 240-740-7139 or via email at Elisabeth_Gross@mcpsmd.org.
