

As a part of the RIASEC Road Trip MoCo CAP Summer Program, we would like to request your consent to photograph and/or videotape your child during this event. These photos/videos may be used for educational or promotional purposes related to the Montgomery County Career Advising Program (MoCo Cap), including being shared on our social media platforms.

As we implement this work throughout Montgomery County Public Schools, we are gathering pictures and videos to help capture the positive impact of Career Advising activities. It is agreed and understood that the student will not be compensated for these uses and that MCPS and WorkSource Montgomery own all rights to the images, videos, and recordings, and to any derivative works created from them.

If you have any questions or concerns, please feel free to reach out to Alexis Fitzpatrick (afitzpatrick@worksourcemontgomery.com).

Thank you for your support in providing your student with this important career exploration opportunity!
