

Dear MCPS Parent/Guardian(s),

I am pleased to announce that Kingsview Middle School is offering a **no-cost** MoCo CAP enrichment program this summer! For this special event, a team of MoCo CAP Career Advising Coaches will lead students through hands-on career development activities. The activities are focused on the development of four professional skills: Leadership, Teamwork, Resilience, and Future Decision-Making. They are each connected to RIASEC learning that career Advising Coaches lead in each secondary school during the year. Students will “road trip” around the school campus engaging in a variety of fun and educational stations designed to help them grow towards being college, career, and community ready before graduation! This is a no-cost opportunity for students to participate and gain valuable experiences and insight related to career exploration and skill building.

The team overseeing the program will include a school administrator or designee. Unless otherwise indicated below, students must have their own transportation to and from the school at the designated times. Please see related details below:

School	Kingsview Middle School
Dates	Tuesday July 15, Wednesday July 16, Thursday July 17
Times	Drop-off: 8:45am-9:00am Program: 9:00am-12:15pm Pick-up: 12:15pm-12:30pm
Other Details	Meals and Transportation will not be provided

To register, please complete the attached form and return to Ms. Claudette Talley, the Career Advising Coach at the school no later than June 17. Further details and reminders will go out via email by July 3, 2025.

Sincerely,
Claudette Talley
Career Coach

*For questions about RIASEC Road Trip, please contact Jenny Trinchere
jtrinchere@worksourcemontgomery.com.*

**Note: The program title may imply that students are traveling, but the Road Trip is one that our coaches take around the district to work with students. All activities take place at the host school.*

Registration Form Due to Career Advising Coach by June 17, 2025
