

KINGSVIEW MIDDLE SCHOOL

MCPS Transportation Information

Dear Kingsview Parents/Guardians,

Attached are route schedules for buses serving Kingsview Middle School for the 2025-2026 school year. Please note the appropriate time, location, and route number for your child. Many routes are designed so that students do not need to cross a major roadway to use the bus. This is indicated on route descriptions by "RSO" (right side only) next to the bus stop notation. Parents should not allow their children to circumvent this safety measure by crossing the road to use a different bus stop if there is one on their side of the street. Students should be ready and waiting to board the bus five minutes prior to its scheduled arrival time. Route numbers are displayed on the side window of the bus.

NEW: Parents are now able to see their child's bus route number and designated bus stop in ParentVUE under the "Student Information Tab". **Please be advised, students who live within 1.5 miles of the school are not eligible for transportation services if age-appropriate walking routes are available.** If you have any questions regarding transportation and bus routes, please contact the Clarksburg Bus Depot at 240-740-4728. Please have your child's bus route handy when calling the Clarksburg Bus Depot.
