I. PURPOSE

To establish the requirements for field trips, student organization trips, and travel-study programs sponsored by Montgomery County Public Schools (MCPS); and to publish procedures for planning, obtaining approval for, and implementing approved trips.

II. DEFINITIONS

A. A Chaperone, for the purposes of this regulation, is a volunteer who accompanies a trip to assist staff in providing supervision for students. Chaperones are subject to requirements for volunteers as set forth in MCPS Regulation IRB-RA, Volunteers in Schools, and related guidance.

B. A Field Trip is a school-sponsored activity that is directly related to the instructional program. A field trip may be an overnight trip.

C. School-sponsored means any activity which has a staff member assigned as an agent of the school, and has been approved by the principal and/or an appropriate associate superintendent in the Office of School Support and Improvement (OSSI).

D. A Student Organization Trip is an activity which provides extended opportunities related to a school-sponsored student organization. Participation is usually limited to members of the organization or club. Student organization trips should be scheduled during non-instructional hours or days when classes are not in session.

E. A Travel-Study Program is an activity which combines instruction and travel for an extended period of time. Some programs include a specific course of study to be completed, while others place emphasis upon participation in an arts, cultural, athletic, or other cocurricular or extracurricular activity. Participating students may
be from different grade levels or classes. Travel-study trips should be scheduled for days when classes are not in session.

F. A Trip, for the purposes of this regulation, is a school-sponsored field trip, student organization trip, or travel-study program, as defined above.

   b) Optional student accident insurance through MCPS is only available to students at the beginning of the school year or upon enrollment, as set forth in MCPS Regulation EIC-RA, Student Accident and Football Insurance Program. The parent/guardian submits any claims related to student accident insurance directly to the insurance carrier.

3. Any accident or injury involving a volunteer chaperone or staff member should be reported consistent with MCPS Regulation EIB-RA, General Liability Insurance, and/or MCPS Regulation EIF-RA, Worker’s Compensation Insurance and Personal Property Loss.

H. INTERNATIONAL TRAVEL

1. MCPS does not provide school-sponsored international trips or exchange programs unless expressly approved by the chief academic officer as directly connected to an educational program. Staff members are not discouraged from working privately to organize international study trips, but they should be handled independently of the school; and MCPS disclaims any responsibility for them.

   a) No MCPS resources, including student databases and communication tools, school time or facilities may be used in the planning, promotion, or administration of a privately organized international study trip or exchange program (private trip).

2. Employees who act as chaperones are not in conflict with MCPS Regulation GCA-RA, Conflict of Interest, if their basic expenses, comparable to those of the other chaperones, are defrayed by a travel agency.

J. CANCELLATION OF TRIPS

1. Cancellation of trips may occur due to weather, safety, world events, or local school need. Trips will be cancelled only under circumstances under which appropriate school authorities believe it is reasonably cautious and prudent to do so in order to ensure the safety of students, staff, or volunteers, or to ensure the effective operation of the local school. In such cases, every effort will be made to provide as much advance notice as possible.

2. MCPS is not responsible for financial losses to students, parents/guardians, and/or volunteers due to cancellation of trips.

3. The authority to cancel trips rests with the superintendent of schools/designee.
