School Updates

Dear Richard Montgomery High School Community:

With the start of January 2015, let me update you on the following:

- Richard Montgomery would like to congratulate Instrumental Music teacher Peter Perry on successfully defending his dissertation to complete his degree as a Doctor of Music Arts in Music Education from Shenandoah University in Front Royal, VA. Congratulations Dr. Peter Perry. We also had four teachers who were honored for achieving certification by the National Board for Professional Teaching Standards (NBPTS) in 2014: Leah Wilson, Laura Goetz, John Goetz, and Todd Stillman.
- Richard Yarrow**, senior at Richard Montgomery High School, is one of two students selected to represent the state of Maryland in the 53rd annual United States Senate Youth Program (USSYP) held in Washington, D.C. in March 2015. He will also receive a \$5,000 scholarship.
- Maya I. Krishnan**, a 2010 graduate of Richard Montgomery High School's International Baccalaureate program, is among the latest round of Rhodes Scholars. She will attend Oxford University, beginning in fall 2015. Maya is a senior at Stanford University, majoring in philosophy, with minors in computer science and classics. While at Richard Montgomery, Krishnan said, it was social studies teacher Robert Thomas who made a difference for her and who has remained a mentor over the years. He was her first philosophy teacher.
- Molly Zhang**, senior at Richard Montgomery High School, won a \$40,000 college scholarship in the 15th annual Siemens Competition in Math, Science & Technology. Zhang was one of six high schoolers in the individual finals, which were held in December at George Washington University in Washington. Her project was in biochemistry, researching gold nanostructures. **Yizhen Zhang**, senior at Richard Montgomery, was also a semifinalist in the 2014 Siemens Competition in Math, Science & Technology.
- Congratulations to **Nick Hopwood**, a sophomore at Richard Montgomery, and **Michelle Schrier**, a senior at Richard Montgomery, who successfully auditioned and were accepted into the 2014-2015 Senior All-state Choruses. Additionally, Michelle participated in the National Association for Music Education's National Honors Choir in Nashville in October, while preparing for her starring role in "Beauty and the Beast." Michelle was also accepted into the NAfME All-Eastern Chorus for April 2015.
- Congratulations to the following students that auditioned and made the Maryland All State and MCPS County Honors Ensembles: 2015 Maryland All State Participants: Jason Hong, Albert Shyu, Soah Sohn, Steven Lu, Cindy Song, Ami Wong, Helen Zhao, Joseph Li, Matthew Sykes, Chris Lee, Meghan Hu, Bowen Ren, Eileen Moudou, Madeleine Cheng, Patrick Sykes. 2015-2016 Calendar

Plan Ahead for the 2015-2016 School Year.

The Board of Education has set the calendar for the 2015-2016 school year. Classes will begin on Monday, August 31, 2015, and are scheduled to end on Friday, June 17, 2016. Spring Break will run from March 25 to April 1.

The calendar is available in seven languages—Amharic, Chinese, English, French, Korean, Spanish and Vietnamese—and can be printed or downloaded to a computer or mobile device. To see the calendar, visit <http://www.montgomeryschoolsmd.org/info/calendars/future/>.

2014-2015 Contingency Calendar

MCPS Will Follow Contingency Calendar for 2014-2015

If MCPS has to make up instructional days in the 2014-2015 school year due to emergency closings, MCPS will follow the already approved contingency calendar for the 2014-2015 school year. MCPS will add days onto the end of the school year, unless a waiver is granted by the Maryland State Department of Education. MCPS will not open on holidays, reduce spring break or cancel negotiated professional days.

The contingency plan, indicating when days will be made up if the number of emergency closings exceeds four days, is as follows. If the school year is disrupted by emergencies and schools are closed—

- 5 days—the school year will be extended by one day to Monday, June 15, 2015;
- 6 days—the school year will be extended by two days to June 15 and June 16, 2015;
- 7 days—the school year will be extended by three days to June 15, 16 and 17, 2015;
- 8 days—the school year will be extended by four days to June 15, 16, 17 and 18, 2015; and
- 9 days—the school year will be extended by five days to June 15, 16, 17, 18 and 19, 2015.

You can find the school contingency calendar online at <http://montgomeryschoolsmd.org/info/calendars/>.

Richard Montgomery High School—Financial Aid Night

Save the date for Financial Aid Night!

From 7:00 p.m. to 9:00 p.m. on Wednesday, January 14, 2015, Richard Montgomery will host our annual Financial Aid Night.

This year the program will also be presented in Spanish for our Latino families. Alexandra Gonzalez, who is a Financial Aid Outreach Counselor at Montgomery College, will be presenting the program for Latino families in the career center. Barbara Miller, who is the Director of Financial Aid at Stevenson University, will be presenting the English program in the Auditorium. Both of our speakers are extremely familiar with the college financial aid process which is the same

regardless of the college your student attends.

Both presentations will include step-by-step directions for completing the Free Application for Federal Student Aid (FAFSA). Prior to the evening, please visit www.fafsa.ed.gov which is the official FAFSA website. Parents can download the worksheet for the Web, review the process and come prepared with questions. Do you know what is meant by EFC? Do you know the FAFSA deadline for the State of Maryland? When is a student considered independent? Have these questions and more answered on January 14th! Plan to get the most out of the evening!

FY 2016 Operating Budget Recommendation

Superintendent Joshua P. Starr is recommending a \$2.4 billion operating budget for Fiscal Year (FY) 2016, which includes \$103.6 million in additional spending that will allow MCPS to manage its continued growth, narrow achievement gaps, and prepare students for the future.

Dr. Starr presented his recommendation to the Montgomery County Board of Education on Tuesday, December 9, emphasizing that it is part of a multiyear budgeting strategy that began in FY 2014.

“My budget recommendation builds on the investments we have made the past two years to ensure we are serving our students to the highest level,” Dr. Starr said. “I am recommending a budget that will allow us to keep up

with our growing enrollment, while ensuring that all students have the skills and knowledge they need to be prepared to thrive in their future.”

Most of the \$103.6 million spending increase will be used to provide the same level of services to a growing number of students; fund ongoing salaries and benefits; and manage increasing operational costs. The recommendation includes \$8.2 million in strategic priority enhancements that are focused on improving student performance while narrowing achievement gaps. Dr. Starr’s recommendation also includes \$23.3 million that will be needed to replace the one-time revenue source the Montgomery County Council used to fund retiree benefits in the FY 2015 budget.

SPEAKERS NEEDED FOR CAREER DAY

We need over 100 Speakers for our first annual Career Day on Friday, February 27, 2015. Can you, your spouse, your neighbor, even your dog groomer spare half a day to inform and inspire our students at RMHS? Talk to anyone whose services you employ on a daily basis – your plumber, doctor, restaurant/shop owner, clergy, karate/music/gymnastic/art instructors... be creative.

Each speaker will be with a teacher for six 25-minute periods. You will deliver a 15 minute presentation about your profession, and then answer questions for the rest of each period. The approximate total time commitment is for hours, and you just might change a

young person's life!

At the end of the day, you may also participate in a Career Fair on Main Street.

The RM Boosters and PTSA will provide refreshments and food.

If you or anyone you know is interested, please contact Nancy Downing, PTSA President, at wudowning@gmail.com.

STUDENTS OF THE MONTH — OCTOBER

The following students were celebrated during our Monthly Student Recognition Program. Each month, departments are asked to nominate students who demonstrate academic excellence in the classroom. These nominations include students who have shown improvement, great effort while tackling challenging content, or other exceptional qualities. Students selected come from all grade levels and courses. These students receive a certificate of recognition and donuts with the Principal; their photos are also posted in the Student of the Month display located in the main lobby.
