

# Montgomery County Board of Education

**Work Session: The Board's Self-Evaluation  
Richard Montgomery High School  
Media Center  
Wednesday, June 20, 2012**

**8:30 a.m. Continental Breakfast**

**9:00 a.m. Call to Order**

**Objectives:**

- Celebrate the thoughtfulness of our work.
- Recognize and accept divergences of perspective.
- Determine priorities for the Board's "next level of work" during 2012-2013.

**Pausing for Reflection:**

- What was your experience using this Board self-evaluation tool for the first time?
- Based on your review of Board members' comments, what stood out for you?

**Moving toward Action:**

- Looking across Standards A-G, what seem to be the most important potential areas of focus for our "next level of work" during 2012-2013?
- In order to have a realistic, do-able agenda and "do a few things well," what are the highest priority areas of focus (3-5 maximum) for our "next level of work" during the coming year?
- For the 3-5 priorities we have selected, what do we want to accomplish during 2012-2013, what will be our strategies for doing so, and who will be responsible for leading/coordinating our work?

**3:00 p.m. Adjournment**

Please note: The Board will break for lunch around noon.
