Re: STATEMENT BY MRS. PRAISNER

Mrs. Praisner explained that she had not been present at the Board meeting last night because of the death of her uncle. She thanked Board members, staff, and others for their kind words of condolence and support. She was sorry she was not able to be present last night because the discussion on the magnet program was her motion. That

item came to the table as a result of her desire to have that full discussion. She would be giving her comments and reactions to the staff on that paper. In regard to the Board action on the area reorganization and other central office reorganization, she wanted to be sure that people knew that had she been here last night she would have participated in the discussion and voted in favor of the superintendent's proposal.

Re: ADJOURNMENT

The president adjourned the meeting at 11:30 p.m.
