walking distance of the Wheaton stop.

Highlights

Bike Rodeo!

Don't miss this fun interactive session designed to teach students essential bike safety skills. All bikes, scooters, helmets and instruction provided by the Montgomery County Department of Transportation – Pedestrian Safety (MCDOT).

COPE (Community Opioid Prevention Education) Trailer

Set up like rooms in a home, this demonstration – available in both English and Spanish – **provides parents and the general public with drug education tips**. The COPE Trailer assists loved ones with the ability to **identify “red flags” and “signals”** that might be indicators of an **opioid problem**.

Led by the Community Engagement Division of the Montgomery County Police Department, and created in collaboration with the Montgomery County Police Foundation and Montgomery County Public Schools.

Free School Immunization Clinic

Student vaccines administered onsite by the Montgomery County Government School Health Services.

...and much more!!!
