

FY27 HATE-BIAS INCIDENTS

RESPONDING PROCEDURES

Founded on the principles of Board of Education [Policy ACA: Nondiscrimination, Equity, and Cultural Proficiency](#), Montgomery County Public Schools (MCPS) considers a hate or bias motivated incident to be any disruptive conduct (oral, written, graphic, physical, or electronic communication) that includes INTENTIONAL DISCRIMINATORY BEHAVIOR based on personal characteristics; race, ethnicity, color, ancestry, national origin, religion, immigration status, sex, gender, gender identity, gender expression, sexual orientation, family/parental status, marital status, age, physical or mental disability, poverty and socioeconomic status, language, or other legally or constitutionally protected attributes or affiliations

Discrimination in any form will not be tolerated. It hinders the school district's mission to serve all students and staff and to promote equity, inclusion, and diversity. The Board recognizes that equity involves more than legal compliance; it requires proactive efforts to address implicit biases and structural barriers that have led to exclusion. Our classrooms remain spaces where students will learn about diverse perspectives and viewpoints, aligning with our core values of inclusivity and acceptance. Any allegation of hate-bias is unique and will be addressed through the lens of intent and context.

MCPS investigates all allegations of hate-bias that: a) occur on school property (or bus), at a school-sponsored activity or event, or b) substantially disrupt the orderly operation of a school learning environment. Examples include, but not limited to, hate speech; using a racial, ethnic, or other slur; displaying hateful or racist symbols, flags, or drawings; mocking a disability; or telling offensive "jokes" about someone's identity.

STEPS FOR HATE-BIAS INCIDENTS:

- ☐ 1. **INCIDENT / COMPLAINT:** Student, staff member, parent/guardian, or bystander makes verbal or written report to any staff member/administrator. Complete [MCPS Form 226-5, Hate Bias Incident Reporting Form](#) and submit to principal/designee. (*Staff members will assist student/parent/guardian if they cannot complete the form*).
- ☐ 2. **INQUIRY / FACT-FINDING:** School principal/designee conducts an initial assessment of allegation/incident to determine context; the degree (scope and scale) of intent, risk, threat, or targeted violence posed by an individual or group. Consultation with central support team is recommended to determine incident level (Red, Orange, Yellow). The Behavioral Threat Assessment Team may be implemented based on the situation.
