

**Instructional Flow – Unit 4 – Sequences and Series**

**11.2 Arithmetic Sequences and Series**

- definition of sequences and series
- explicit rules for arithmetic sequences
- sums of finite arithmetic series
- applications

**11.3 Geometric Sequences and Series**

- explicit rules for geometric sequences
- sums of finite geometric series
- applications

**11.5 Recursive Rules for Sequences**

- recursive rules for arithmetic and geometric sequences
- applications
