

**LOGO DESIGN CONTEST: WIN A \$150 GIFT CARD**  
**ENTRIES DUE: FEBRUARY 1, 2016**

Do you enjoy art? Think you could design a logo? Then, enter the Montgomery County Department of Transportation (MCDOT) contest to design a new logo for a renamed resident advisory group called Keep Montgomery County Clean and Green (KMCCG).

Since 1983, the Keep Montgomery County Beautiful Task Force has partnered with MCDOT to educate residents about the benefits of reducing litter, support cleanup and beautification projects, encourage residents and businesses to recycle, and improve awareness about graffiti in the community. Now, we'd like to update the group's name to better reflect its mission.

Help us design a new, more modern logo for KMCCG that does not use the County seal and represent the group's "go green" goal. The winner will receive a \$150 gift card.
