Employee & Retiree Service Center

Access to an Employee Self-Service (ESS) Application Has Been Denied.

Access to an ESS application has been denied because you have attempted to log in remotely without logging in to the MCPS network. To access the application, you must first log in to the MCPS network via Windows Virtual Desktop (WVD), Virtual Private Network (VPN), or Terminal Services Gateway (TSGateway). Instructions for using WVD can be found in the **MCPS Remote Access Support Guide**, which you can access by logging in to your MCPS Google account (*@mcpsmd.net account*).
