**Submit 2025 Flexible Spending Account Claims to Voya by the Deadline or Risk Losing Your Balances!**

If you are one of the many employees who had a flexible spending account (FSA) in 2025, then it is time for you to review your account and make plans to use any remaining balances before ***Sunday, March 15, 2026***.

Qualifying expenses from your medical and/or dependent care FSAs incurred between January 1, 2025, and March 15, 2026, may be reimbursed from your 2025 FSA account. Any remaining 2025 balances will be forfeited. All 2025 plan-year FSA claims must be submitted to Voya by April 30, 2026.

To download a claim form and review your 2025 FSA account, visit the [Voya website](#). For additional information about FSAs, visit the [Employee and Retiree Service Center website](#).
