

WELCOME BACK TO SCHOOL

The Sustainability and Compliance Team has lots of resources and information available to schools. Visit our website to learn more about recycling, energy conservation, food recovery, and green schools. Our team is excited about the new school year and we are ready to serve you! Click the icons below for more details and staff names for direct email links.

Sustainability Poster Contest

Students and staff are invited to participate to create posters that showcase their school's efforts in energy conservation, water conservation, and recycling.

Outreach

Invite us to your school for assemblies, read alouds, Lunch and Learn activities, or a green club meeting.

Waste Reduction and Recycling

Check out our website to learn more about the food recovery program, what can and can't be recycled or order recycling bins.

MAEOE Certified Green School

Your school can certify as a Maryland Green School and get to join over 100 schools in MCPS! Contact us for details.

Energy Conservation

Visit our website to learn how to do an energy audit at your school. We can also visit to demonstrate differences in energy consumption and energy conservation tools.

Sustainability Staff
