If you are unsure about eligibility, please contact your child's cafeteria.

MCPS Cafeteria Policy

A student may choose to have a la carte items in addition to the daily cafeteria meal. These items may be purchased with a la carte meal money. Funds from la carte meal money are not refundable. The cafeteria policy requires that all meals be purchased with the cafeteria meal money. Students who have no cafeteria meal money will not be allowed to purchase a la carte items.

MySchoolBucks.com

MySchoolBucks.com is a service that allows parents to load meal money onto their child's account. This money is then deducted from the student's cafeteria account. MySchoolBucks.com is available at www.MySchoolBucks.com.

For questions regarding the cafeteria please contact the DFN Help Desk at 301-206-5325.
