

Session 1: Introduction to the UDL - PLC

LEARN

The “Learn” section will provide you with resources, articles and/or websites that will support the session topics and launch your discussions. Complete the tasks offered (e.g. read articles, view videos, visit websites, etc.) to facilitate your PLCs discussions.

For this session:

- View the CAST video on [UDL at a Glance](#).
- View Dr. Joshua Starr, superintendent of Montgomery County Public Schools in Maryland, [video on Professional Learning Communities](#).

DISCUSS

The “DISCUSS” section will contain a discussion prompt for each session. In each session, you will be asked to formulate your own response to the prompt and reply to at least one other colleague.

You are joining a community of learners who collectively interact, through discussion, to enhance and support the professional performance of each other.
