# **Operating Fund Investments**

#### 9 A. PURPOSE

To establish the Montgomery County Board of Education's criteria for the investment of all unexpended appropriated operating funds and the process by which the Board carries out its oversight responsibility

To designate the superintendent of schools/designee as the persons responsible for investing funds in a manner consistent with this policy

This policy establishes the investment scope, objectives, and guidelines for the investment of school district operating funds.  $\P$ 

#### 21 B. ISSUE

It is important to ensure that operating fund investments comply with all state laws relating to investments. It also is important to guarantee that investment vehicles meet the primary criteria of prudence, safety of principal, liquidity, and market rate of return.

 This policy applies to cash operating funds of the school district only. Montgomery County Public Schools (MCPS) draws cash as needed from the Montgomery County Government, based on weekly projections and receives additional cash from other entities such as the state of Maryland that requires short-term investment.

This policy does not cover the investment activities of pension funds or certain trust or agency funds.

#### POSITION

1. Operating funds invested under the control and direction of MCPS will be administered in accordance with the provisions of this policy.

responsible for investing funds in a manner consistent with this policy. 41 42 3. The project objectives of MCPS investment activities will be as follows: 43 Except in cash in certain restricted and special funds, the entity 44 a. consolidates cash and reserve balances from all funds to maximize 45 investment earnings and to increase efficiencies with regard to investment 46 pricing, safekeeping and administration. 47 **b**. The protection of investment principal is the foremost objective in the 48 overall portfolio. Investments shall be undertaken in a manner that seeks 49 to ensure the preservation of capital. To attain this objective, MCPS will 50 mitigate both credit risk and interest rate risk. Credit risk is defined as the 51 risk of loss due to the failure of a security issuer, or backer, and the risk 52 will be mitigated. 53 To retain sufficient liquidity to meet disbursement requirements which 54 c. might be reasonably anticipated, and to diversify investments by specific 55 security types and individual financial institutions to reduce risk to the 56 extent possible. 57 d. To maximize the return of the investment portfolio, consistent with legal 58 restrictions, risk and prudent investment policies. 59 60 4. Investments will be made pursuant to state law, exercising prudent judgement, 61 discretion, and care, under circumstances then prevailing, not for speculation, but 62 for investment, considering the probable safety of capital as well as the probable 63 income to be derived. 64 65 5. Ethics and conflict of interest 66 All Board members as well as all MCPS employees responsible for 67 a. managing financial investments will adhere to Board Policy BBB, Ethics, 68 and MCPS Regulation GCA-RA, Employee Conflict of Interest, and file a 69 Financial Disclosure Statement in accordance with those rules. 70 Employees involved in the investment process shall refrain from personal 71 business activity that could conflict with proper execution of the 72 investment program, or that could impair their ability to make impartial 73 investment decisions. 74 MCPS employees responsible for managing investments while acting in b.
