Academic Grades

Specific measurement topics are reported each marking period. For those measurement topics not reported, boxes will remain blank.

Grade	Description
P	Proficient with the grade-level standards taught this marking period.
I	In progress toward meeting the grade-level standards taught this marking period.
N	Not yet making progress or making minimal progress toward meeting the grade-level standards taught this marking period.
M	Missing data – no score recorded.
NEP	Not English Proficient: Level 1 and Level 2 EMLs who are enrolled in their first marking period in a U.S. school may qualify for NEP. NEP indicates that the student did not demonstrate proficiency in the Measurement Topic during the marking period. If your child, regardless of ELP Level, is able to demonstrate proficiency in some Measurement Topics, grades (i.e., P, I, N or A, B, C, D) must be reported.

Reading Level by Marking Period

Reading Level	Description
Above (ABV)	Your child reads and comprehends text and receives enriched instruction with skills and texts above grade-level during small group instruction.
On (ON)	Your child reads and comprehends text within grade-level instruction.
Below (BLW)	Your child needs support to read and comprehend grade-level text and receives targeted skills instruction during small group.

English Language Proficiency Performance Level

For students receiving English Language Development services, ELD teachers collect data to indicate student progress in English language proficiency. English language proficiency is stated in terms of the six WIDA English language proficiency levels. At a level 6, students are listening, reading, writing, or speaking comparable to their English-proficient peers meeting college and career-readiness standards.
