

PARENTVUE

Tips and Tricks for Fall 2026

Here's What To Do with Our New ParentVUE:

Do

- **DO:** Download the **NEW ParentVUE App** to enjoy an enhanced ParentVUE experience.
- **DO:** Explore the **New Feature Assist** for step-by-step instructions about how to personalize your ParentVUE.
- **DO:** View critical student progress **Documents** including: report cards, Student Grades and Graduation Credit Report (SGGCR, HS only), MAP, MCAP and more.
- **DO:** Visit the **Student Information** tile to view or locate your student(s) bus information.
- **DO:** Take the opportunity to submit **Online Registrations** including: annual verification, athletics, etc.
- **DO:** Customize your **Gradebook** tile to track your student's grades by teacher, class period and color.
- **DO:** Select **My Account** for enhanced options to change a password, email, phone, language selection, etc.
- **DO:** Use **Shortcuts** to select up to 5 favorite ParentVUE modules for a customized dashboard display.

IMPORTANT REMINDERS

Start the new school year informed and empowered with ParentVUE!

ParentVUE puts everything you need right at your fingertips. Monitor grades and assignments, track attendance, communicate directly with teachers and much more. Stay connected by actively utilizing ParentVUE to catch challenges early, celebrate academic wins and ensure your child stays on track for school year success.

Don't

- **DON'T** share your ParentVUE password information as each parent/guardian will have their own account.
- **DON'T** forget to visit ParentVUE early and often to monitor your student's academic progress.
- **DON'T** hesitate to use **Synergy Mail** when you have a question or comment for your child's teacher.
- **DON'T** neglect the **myMCPS Classroom** link to stay on top of class announcements, assignments, etc.
- **DON'T** miss out on your chance to schedule parent teacher conferences from right inside the app.

Keep up to date with ParentVUE

Providing you with timely and accurate student information is essential to supporting your child's education. Grade updates, attendance records and schedule changes entered during the school day are available to you in ParentVUE.
