## How do I learn more about GIVE BACKpacks?

- The GIVE BACKpacks campaign raises funds to purchase backpacks for students who qualify for Free and Reduced-Price Meals (FARMS). The quantity of backpacks purchased is based solely on the amount of donations received. Our goal for 2023-2024 is to raise enough funds to purchase 30,000 backpacks with school supplies. Our ideal goal is to purchase 70,000 backpacks.

## When will schools receive backpacks?

- Backpacks will be delivered to schools starting two weeks before school starts and will continue to be delivered as donations come in.

## How are schools chosen to receive backpacks?

- The number of backpacks and school supplies ordered is based on the amount of funds donated.
- Schools are selected based on the percentage of students who qualify for Free and Reduced-Priced Meals (FARMS). We start with the schools with the highest

percentage and work down the list. This list changes each year based on donations and FARMS percentages.

- Backpacks are also provided to the International Admissions and Enrollment Office.
- Backpacks also will be sent to schools who have a donation specified for their school.

## **Who does my donation support?**

- General donations are directed to the overall campaign to supply backpacks to schools with the highest FARMS percentages, unless stated otherwise. All donations support principal requests for backpacks for students in need.
