Marching into 2012

It is difficult to believe that we have turned the corner to 2012. In this new year, our Beverly Hills Family will continue to embrace the wonderful changes happening to our school. Our students demonstrate their creativity and learning through many different avenues. One such avenue is the Potomac Almanac. Eight of our second graders' writing was published in the December, 2011 issue. Congratulations to Andy Guo, Natanel Ha, Setareh Mahjoob, Arusha Pant, Elijah Savett, Stefanie Wang, Steven Wang, and Skylar Yentis. What a wonderful way to showcase our students' talents.

Our amazing staff members make learning in our classrooms rigorous and engaging. Such instruction is not happenstance. It requires collaboration and countless hours of preparation to ensure all students are learning at their optimal levels. We are very proud of the dedication and effort our staff exerts each and every day.

We also look forward to our continued partnership with you, our parents, as we navigate through our Holding School and into our new home. From the sound of the children's reports, it is starting to take on the look of an actual building. Your ongoing support and flexibility are very much appreciated and a necessary part of Beverly Farm's success. Yes, 2012 will be a year of many changes, but with the enthusiasm and fortitude of our students, staff, and parents there is no stopping us. May we all be prosperous in health and friendships in 2012.

IT'S COLD OUTSIDE . . .

As you are dressing your children for school, please remember it is very cold outside. Children should dress in appropriate winter clothing for the cold weather. We will have recess when the temperature at recess time is above 32 degrees. Please do not send children in sweatshirt-like overcoats, shorts, short-sleeved tops. The temperature inside the building fluctuates, so dressing in layers may help your child adjust more easily. Your child's health and safety are our number one concern; please send them to school dressed appropriately for the winter weather.

IMPORTANT DATES

January 10
