School and Community News

Due to ongoing construction, our traffic pattern will be adjusted for the upcoming school year. There will be a single entrance and a single exit. With this change in mind, we strongly encourage caregivers to have their student ride the bus if possible.

Thank you in advance for your patience and cooperation!

MCPS News You Can Use:

Transition Day: August 25, 2025

Transition Day is a new event in MCPS schools, created to help students feel welcome and comfortable as they begin at a new school. It's designed especially for students who are attending a school for the first time, including all new Kindergarteners and any new students in Grades 1–5. This day gives children a chance to get to know their school, meet staff, and start the year off with confidence! We look forward to meeting our new stars!
