

Welcome!

I am very excited to be the School Counselor at Cashell Elementary School. This is my first year at Cashell and look forward to a wonderful school year.

I will be going into classrooms once a month for counseling lessons. Counseling lessons focus on topics such as: peaceful problem solving, making and keeping friends, safety, bullying, respecting others, college and career readiness, and more!

I will also meet with students individually and in a small group setting. Through this service, counselors help students with goal-setting, academic, social and emotional issues in a confidential setting. Students can see me by self-referral, teacher referral, or parent referral.

If there is anything you need help with please feel free to contact me via e-mail: Timothy_J_Gleason@mcpsmd.org or by phone (240) 740-0562. I can also help connect you with a number a community resources.

Sincerely,

Tim Gleason, School Counselor
