Classes for Kids

Young Rembrandts

Join us at Clearspring ES

Our elementary learners are at the crucial time of development when they decide whether they're good at something or not. This decision will affect not only the rest of their academic career, but their lifetime learning as well. The Young Rembrandts elementary program provides the tools this age-group needs to succeed at drawing - a teaching tool from which the majority of learners prefer and ALL learners benefit! Our program works because it's not only hands-on and visual...it's simply fun. We take kids from thinking they're not 'artists' to knowing they can achieve this, and everything else, they put their minds to
