# LOOKING FOR YOUR CHILD'S FIRST THEATRE CAMP?

OLNEY THEATRE CENTER'S 2026 YOUTH SUMMER PROGRAMS

## DISCOVERY STAGE

SESSION 1: JULY 6–JULY 10  
SESSION 2: JULY 20–JULY 24

Olney Theatre Center Discovery Stage is a brand new program for rising grades 1–3 that will introduce participants to theatre in multiple fun, engaging ways. Each day, students will explore a topic or story inspired by the theme of the week through imaginative games, music, and crafts. Participants can register for one or both sessions.

**SESSION 1 (JULY 6–JULY 10)**, we'll discover everything we can learn about superheroes from the legendary heroes of comic books and movies to the heroes of our everyday lives.

**SESSION 2 (JULY 20–JULY 24)**, we'll explore some of the wildest areas on Earth, and maybe even discover a new animal or plant or two.

At the end of each one-week session, students will demonstrate what they've discovered in an art exhibit and a brief performance for friends and family on the last Friday of camp at 1:00 pm.

### LOCATION

Discovery Stage will take place in the large classroom of the newly built Trawick Education Center on the Olney Theatre Center campus. Address: 2001 Olney Sandy Spring Rd, Olney, MD 20832

**HOURS** 9:00 am–2:00 pm (After Care available)
